For people going to CAP Hornu by their own means, you must be there at 11h15 sharp for the start of the seminar

Team Building:

This year, the activity will be a Scavenger Hunt in Baie de Somme based on the theme of the TV Show Lost. You will have to face several challenges and find the good path to win this game.

As it is an outdoor activity, we recommend you to bring a warm sweater and even a jacket with a hood in case of rain.

You can also bring an extra set of clothes just in case but it is not mandatory.

You need to have comfortable outfit and comfortable shoes (no heels, no ballerina).

Evening:

A photographer will be present to take individual pictures of everyone and also collective pictures.

Please we ask you to adopt a **casual chic*** style for the night in order to make professional photos.
