

## The interview of the moment... William Tiercelin!

### What is your position and what are your main duties?

My position is WTG Package Manager and my main duty is to negotiate contracts with SGRE for the supply and maintenance of WTG, with the support of a team (legal, technical, commercial, finance).

### What did you do before coming here?

Before this position I was already working in LEMS in the Commercial team (procurement of Foundation and OHVS). Before that I worked 2 years in General Electric (manufacturing of electric motors, generators and converters). And before that I worked 5 years in Edinburgh. on Moray and Inch Cape offshore wind projects.

### What do you like in your company?

The people. And the feeling to work on projects that have a positive impact on the planet.

### What is your best achievement since you arrived?

Selected for 2019 Footéolien... on the bench.

### Something personal about you?

Windsurf addict in summer, ski touring addict in winter. Golf addict all year.
